## Concession, Repentance, Grace

Not too long ago I received a recall notice for my car and I was told that I needed to take it to the dealer to get it fixed because of the dangers that this defect could pose. That reminded me of another recall notice that all of us need to be aware of.

### Important Recall Notice:

The Maker of all human beings is recalling all units manufactured, regardless of make or year, due to the serious defect in the primary and central component of the heart. This is due to a malfunction in the original prototype units code named Adam and Eve, resulting in the reproduction of the same defect in all subsequent units. This defect has been technically termed, "Sub-sequential Internal Non-Morality," or more commonly known as SIN, as it is primarily expressed.

Some possible symptoms of this SIN defect include: a) Pride, b) Greed, c) Envy, d) Wrath, e) Lust, f) Gluttony and g) Sloth. The Manufacturer, who is neither liable or at fault for this defect, is providing factory authorized repair and service free of charge to correct this SIN defect. The Repair Technician, Jesus, has most generously offered to bear the entire burden of the staggering cost of these repairs. There is no additional fee required!

(Continued on Page 2)

*(Cont; Fr. Ballien)*

The toll-free number to call is: C-O-N-F-E-S-S-I-O-N. Once connected, please upload your burden of SIN through the REPENTANCE procedure. Next, download GRACE from the Repair Tech, Jesus, into the heart component. No matter how big or small the SIN

defect is, Jesus (using the GRACE component) will help you to replace the SIN defect with: a) Faith b) Hope c) Love d) Prudence e) Justice f) Temperance and g) Fortitude. Please see the operating manual, HOLY BIBLE, for further details on the use of these fixes.

an added upgrade, the manufacturer has made available to all repaired units a facility enabling direct monitoring and assistance from a resident Maintenance Technician, the Holy Spirit. The resident Maintenance Technician will also introduce many improvements into the Repaired Units. Repaired units need only make Him welcome, and He will take up permanent residence on the premises!

**WARNING:** Continuing to operate the human being unit without correction voids the Manufacturer’s warranty, exposing the unit to dangers and problems too numerous to list. The human being units not responding to this recall action will have to be scrapped in the furnace because the SIN defect cannot be permitted to enter Heaven so as to prevent contamination of that facility. Thank you for your attention. Please assist where possible by notifying others of this important recall.

**Provincial Musings:**

Celebrating Easter brings us all into the light of the risen Christ. It also gives us 50 days to celebrate Easter until Pentecost. Our spiritual counselor, Fr. Evans, reminded us in his recent homily on Palm Sunday, that Christ is always inviting people into his life and suffering. Even on the cross he told the good thief , “on this day you will be with me in Paradise”. Christ is with us in illness, loneliness, lost jobs and family trials, if we invite him in to share the burden and gives us hope and mercy.

We are enjoying a return to spring with all the new life it brings, and renewed energy to engage in life.

Our regional couples along with their Sector couples have joined us in renewal of commitment to the Teams of Our Lady in connecting with all the Teams and spreading the movement. We thank all of them and each of you for doing your part in making Teams of Our Lady a vibrant movement leading couples to live lives of holiness and a deeper spirituality.

Blessing & Prayers

We were guests at Jacksonville, Fl. Sector Team Meeting

College Meeting Toledo, Ohio

College Meeting, Des Moines, Iowa (Central & North Central Regions)

We attended, with our fellow snowbird teams members, Larry & Judy Wagner, the Florida Eucharistic Congress 2019. The theme was HOPE, based on “For I know the plans I have for you” Jeremiah 29:11. There where many great presentations, living Stations of the Cross, Adoration, Mass, procession of the various ministries, and movements.

The Eucharist is truly the source and summit of all Christian Life. (Vatican II)

### Importance of Prayer:

Fr. Caffarel emphasized “Forty years of priestly ministry, of spiritual direction, leave me with no doubt: people who do not pray, or who pray only a little, are like those with anemia to whom the doctors say; ‘You are without natural defenses; you will succumb to the first epidemic’.”
