**ANNUAL TEAM EVALUATION**  
**(EXAMPLE)**

**SUGGESTIONS FOR USE OF EVALUATION FORM:**

This evaluation form should be given to all TEAM members prior to the scheduled TEAM annual commitment ceremony. It is a good topic for a Sit Down and should be reviewed and prayed about by all TEAM members. It provides a good set of questions for reflection prior to a recommitment to TEAMS for the upcoming year. If you have concerns that you would like to discuss at the evaluation notify your RC in advance of the meeting. Discussions about the evaluation should happen prior to the recommitment.
